## JASBIR SAWHNEY

India's pioneer in computer-aided design and drafting, Jasbir Sawhney and Associates prides itself for its effective, intelligent graphics and 3-D visualisation of multiple alternatives. Established in 1969, evolving from the partnership of Jasbir Sawhney and Saroj Sawhney – the firm is a leading provider of specialist architectural consulting services. Jasbir and his team have been true to one fundamental tenet : to continuously strive for innovative solutions in the mainstream of contemporary architectural thought, avoiding the pitfalls of fickle trendiness. MIT-trained Jasbir's specialist skills have been sought the world over. He brings to this meeting, his reservoir of knowledge and repertoire of skills.
